CALL DATE 11 JUNE 2015

**AARHUS
UNIVERSITY**
DEPARTMENT OF FOOD SCIENCE

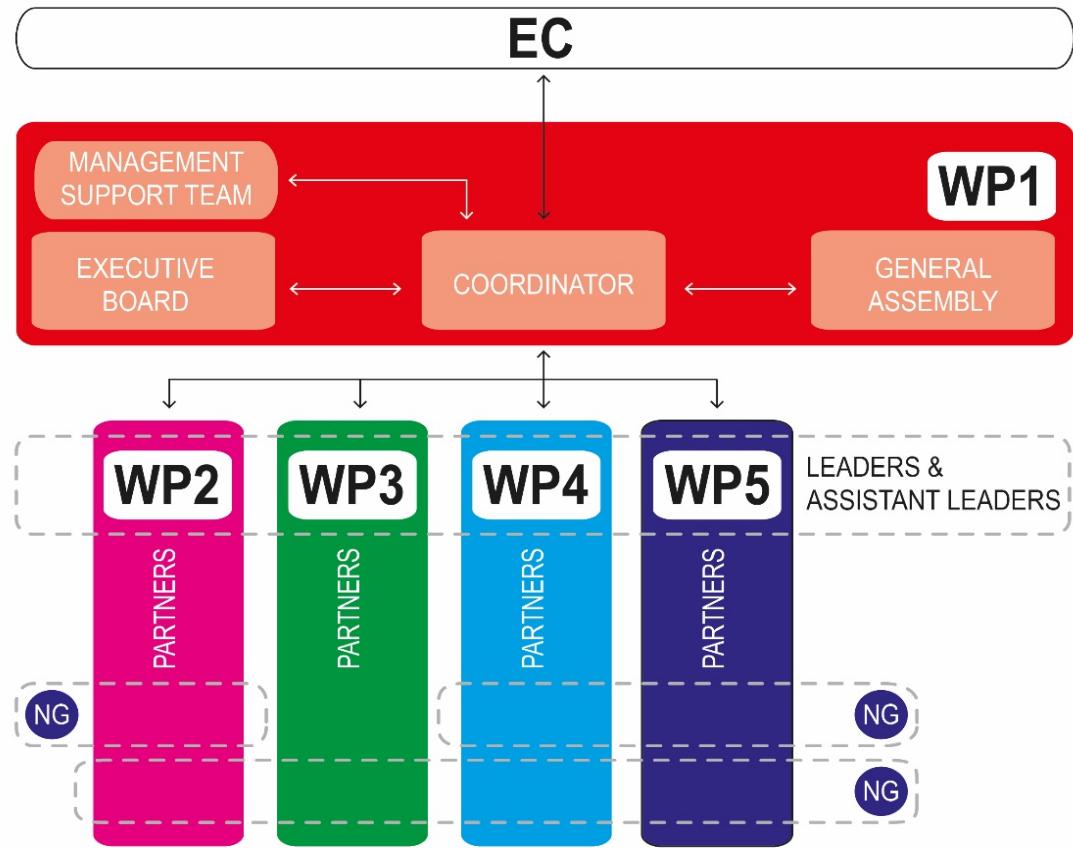

MICHELLE H. WILLIAMS
HEAD OF DEPARTMENT

EUFRIN BOARD MEETING 2015
19 NOVEMBER 2015

BACKGROUND EUFRUIT

- To get recognition for EUFRIN
- To secure some funding to strengthen exchange / impact of EUFRIN
- Could not accommodate all areas (WG) / needed a focus and prioritization
- Not research, only demonstration and dissemination
- Could not include everyone – but as many as possible; result 12 countries
- Include a multi-actor approach

EUFRUIT

FOCUS OF EUFRUIT

WP1: Coordinate and Sustain

WP2: New fruit cultivars, with a focus on:

- i) exchanging the latest information on the availability of new fruit varieties resistant to main diseases and pests in organic and nonorganic production;
- ii) developing superior cultivars, increasing profitability for growers; etc

WP3: Reduction of pesticide residues on fruit and the environment, with a focus on:

- i) minimal input and or organic production systems;
- ii) alternative technologies, prediction and decision support systems, etc

FOCUS OF EUFRUIT

WP4: Postharvest handling and storage with a focus on:

- i) exchanging the latest information on pre-harvest and post-harvest aspects of fruit quality;
- ii) methods and techniques used to determine fruit quality;
- iii) comparisons between destructive and non-destructive methods of quality; etc

WP5: Sustainable fruit production, with a focus on:

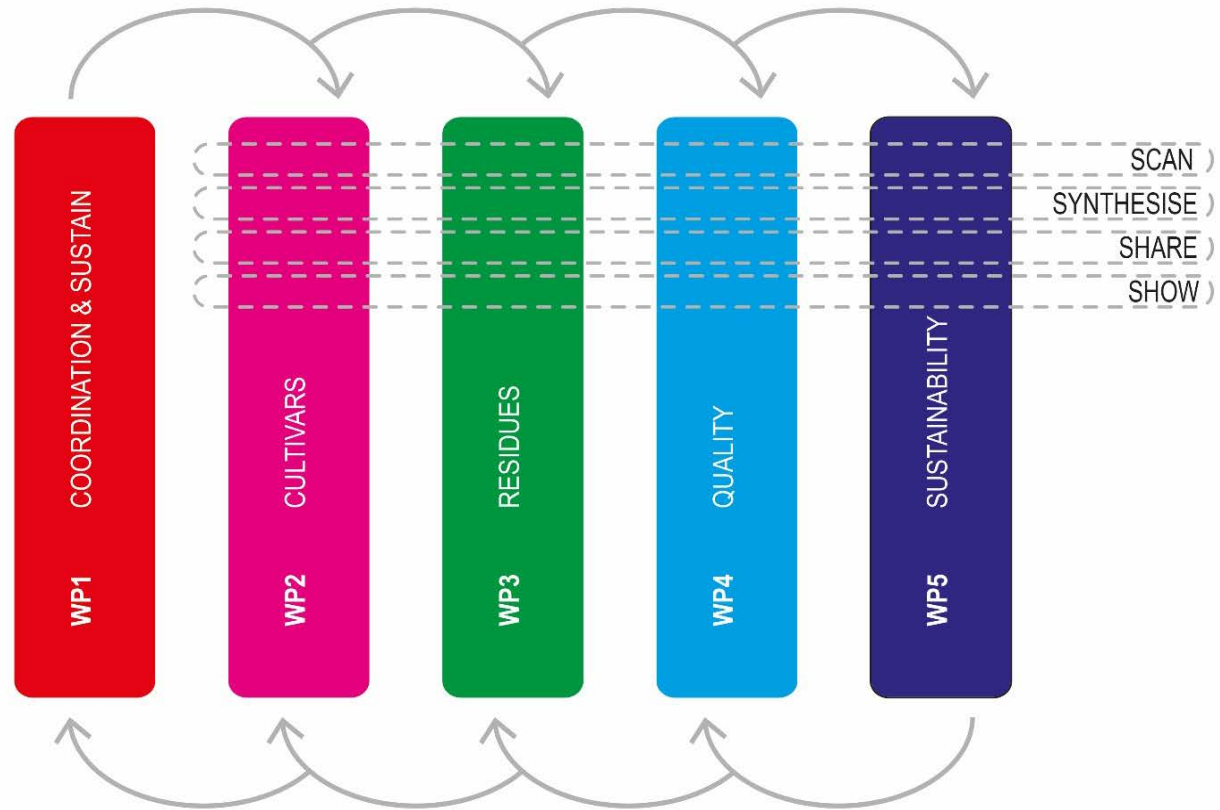

- i) maintaining yield and quality under combined water and heat stresses;
- ii) delivering thinning strategies;
- iii) knowledge and technologies that underpin sustainable production

EUFruit

WP#	WPL	AWPL
1	Michelle Williams AU, Denmark	Jacques Dasque AREFEL, France
2	Jef Vercammen Pcfruit, Belgium	Markus Bradlwarter SKST, Italy
3	Franziska Zavagli CTIFL, France	Philippe Binard FRESHFEL, Belgium
4	Dirk Köpcke OVA, Germany	Carsten Greisiger EO, Germany
5	Marianne Groot StDLO, Netherlands	Eric van der Hoeft FC, Netherlands

EUFRUIT

EUFROUIT

SCAN - To scan existing knowledge to identify and collect, state-of-the-art research results, technical solutions and best practices with the potential to increase awareness, uptake of research results and add value.

SYNTHESISE - Identify and prioritise information, material, research results and develop best methods for learning and knowledge exchange that ensures a continuous and efficient flow of information.

SHARE & SHOW - Deliver innovation to end-users through a suite of material (online & national activities) to ensure implementation of knowledge and innovations.

EUFROUT

Publications in stakeholder journals/ technical and scientific publications	Minimum 100 industry based publications 30 in WP2, 20 in WP3, 30 in WP4 and 20 in WP5
Technical bulletins, guidelines, online videos or similar	Minimum 90 technical bulletins, guidelines, online videos or similar 45 in WP2, 25 in WP3, 15 in WP4, and 5 in WP5
Flyers, leaflets, newsletters or similar	Minimum 25 flyers, leaflets, newsletters or similar 10 in WP2, 10 in WP3 and 5 in WP4
Seminars and lecture-based workshops	Minimum 60 seminars and lecture-based workshops 10 in WP2, 20 in WP3, 20 in WP4 and 10 in WP5
Field-based workshops, open or demonstration days, field visits, grower group meetings and meeting with stakeholders	Minimum 160 field-based workshops, open or demonstration days, field visits, grower group meetings and meeting with stakeholders 40 in WP2, 40 in WP3, 40 in WP4 and 40 in WP5
Participation in conferences and industry events / exhibitions	Minimum 24 participation in conferences and industry events / exhibitions 8 in WP2, 8 in WP3, 6 in WP4 and 2 in WP5
Participation in events aimed at general public	Minimum 12 participation in events aimed at general public 5 in WP2, 2 in WP3 and 5 in WP4

EUFRUIT KNOWLEDGE PLATFORM

- Established on EUFRIN website
- Links to other websites
- All info in English
- Max 2 page text per article (given a template / format)
- Up to users to identify relevant info and take back into national language
- To include industry articles / protocols / best practise / cv profiles / guidelines / leaflets / short videos / demonstrations / descriptions etc

QUESTIONS / DISCUSSION
