Specific federal law for fruit production in ALTES LAND

§3 Besondere Bestimmungen für die Anwendung von Pflanzenschutzmitteln

-  75% Abdriftminderung, Verwendungsbestimmungen beachten; Düsen und Luftunterstützung wirkungslos
-  75% Abdriftminderung, Verwendungsbestimmungen beachten; Luftunterstützung wirkungslos
-  75% Abdriftminderung, 1 und 2. Baumreihe: Übrige Verwendungsbestimmungen beachten

creation of an OG

- Need to be part of RDP in the regional program
- Calls for projects, competitions
- Installation of the OG by the regional government

basic element of the EIP

Operational Groups (OG)

- are built around precise innovation projects
- on the initiative of interested actors
- members are farmers, advisors, researchers, business, QS-system, NGOs etc.
- approved by regional government & local authorities

Action plan

- project description, incl. Management
- expected innovative results
- approach towards implementing the project
- decision making process that guide the work
- going into public with results:

>> dissemination via EIP network <<

Key Acting Entities Within the EIP

- Operational Groups -
