

# WG Apple en Pear Variety testing

Brussels, November 13, 2014

- 2014: no meetings scheduled
- Succession Dr. Rolf Stehr:  
The working group has to decide. An inquiry didn't result in candidates for chairmanship. Current proposal:  
    chairman: Jef Vercammen (former secretary)  
    secretary: Walter Guerra (Laimbourg, I)
- WG Rootstocks: Not discussed yet, will be placed on the agenda of next meeting. Sense of logic since most researchers involved in rootstocks usually are also in WG varieties.
- Planning: Informal meeting at Interpoma, 2014.  
Next meeting WG: 3<sup>th</sup> week of March 2015 in Vilnius (Litouwen).  
Local organiser: Audrius Sasnauskas (Lithuania)  
2 days, of which 1 day with breeders and licensees.
