- Feb. 5 9:00-12:30:

Meeting with EIP Agri and EIP Water spanish contact points (by skype/video-conference as they just comunicated they're not able to join the mtg in person)

Meeting with stakeholders

- Presentation of the WG and of its expertises to the stakeholders
- Presentation of stakeholders and of their needs/expectations
- Discussion on how the WG can interact with stakeholders

Feb. 5 14:00-18:00 : INTERNAL WG Meeting

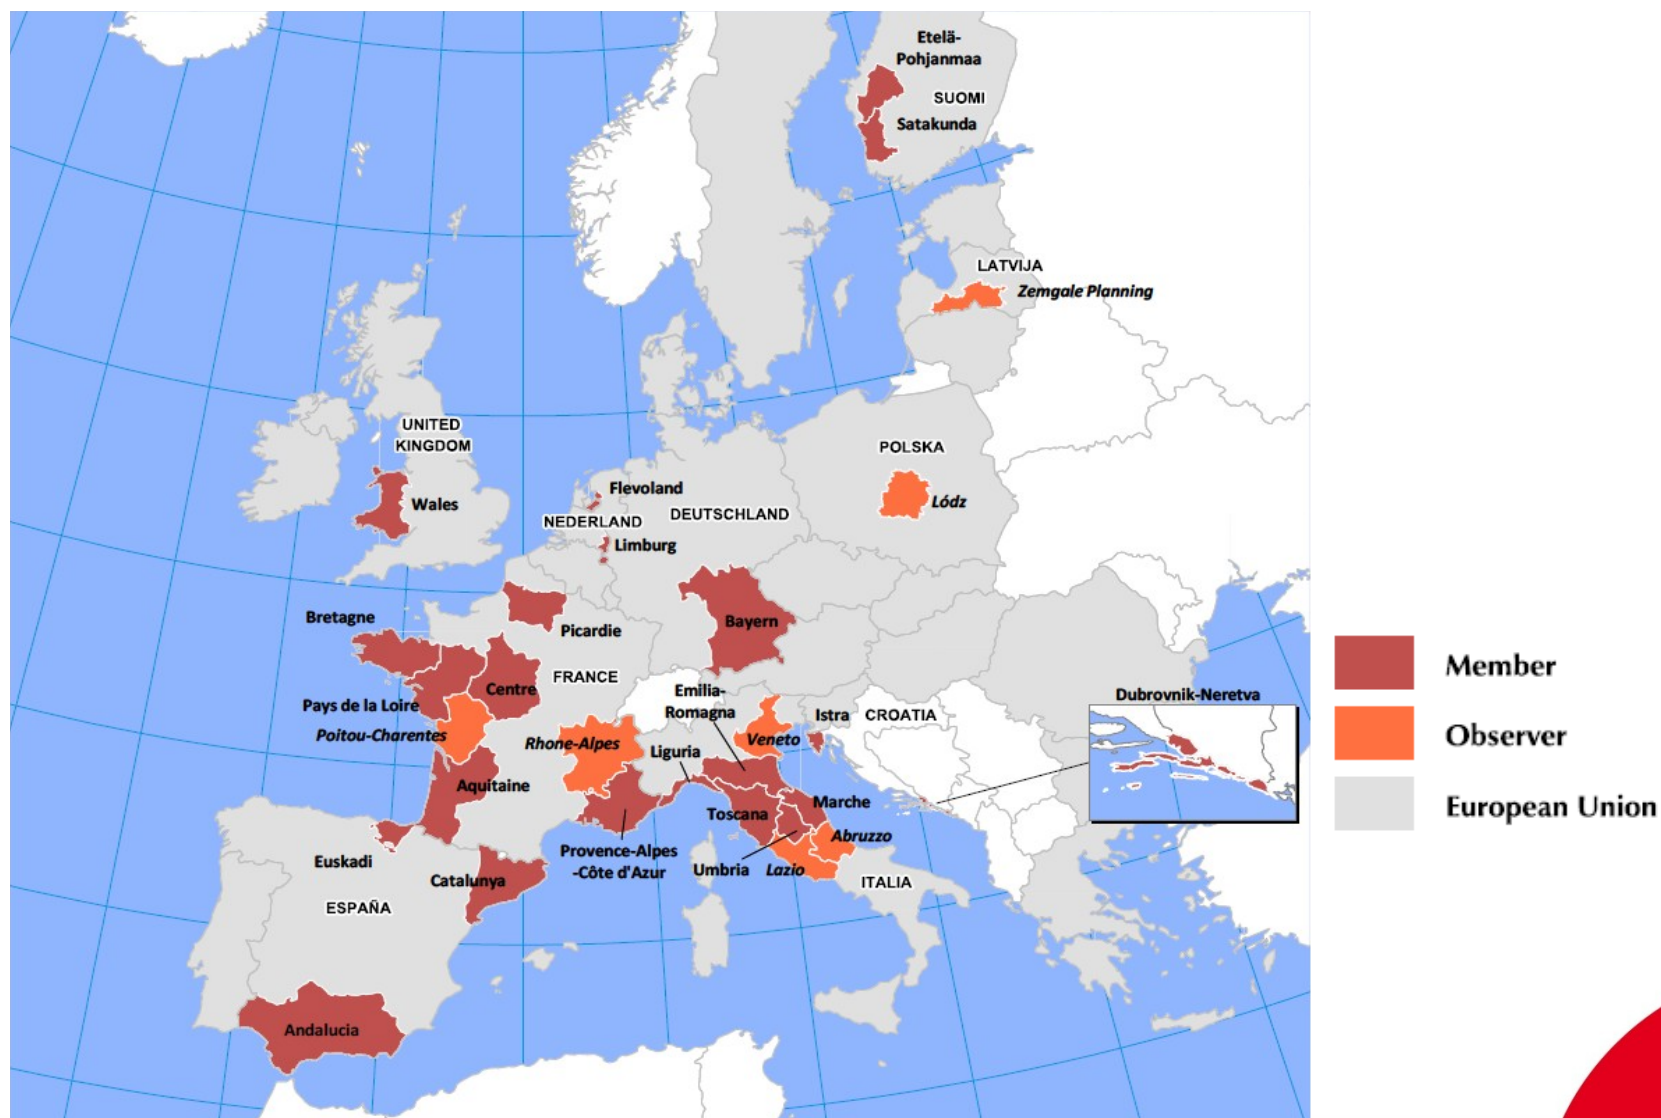

- Presentation of Diego Intrigliolo: new WG member
- Situation about the establishment of Operational Groups in the different regions/countries. Possible role of the WG in relation to OGs
- Follow-up from morning discussion: how the WG can interact with the stakeholders: possibility to organize meetings open to stakeholders who sponsorize the WG? Need for a confidentiality agreement?
- How the WG can interact with the WIRE-action group within EIP water (many WG members are also WIRE members)
- Invitation of our EUFRIN WG to the ERIAFF workshop on horticulture irrigation: workshop programme presentation and possible contributions.
- Communications and next steps (next meeting, what members expect from the WG etc.)

The ERIAFF Network

European Regions for Innovation in Agriculture, Food and Forestry

ERIAFF main objectives

To improve the performance of the EIP network itself by acting as facilitators of information flow and links between stakeholders across their territories as well as across the European Union

To develop interregional Operational Groups which are already linked by common priorities and goals
